EXPERIENCE

Storyboard Artist | *Fionna and Cake, Regular Show: The Lost Tapes, Ben10, Harvey Beaks, Various Development Projects*

Boarded from outlines in a board-driven schedule. Designed sets/characters/props for every episode, composed songs, cast for VO as minor characters.

Director | *STUGO, Big City Greens*

Boarded, revised, and edited animatics on a board-driven show. Led team of four board artists. Cast for VO as minor ensemble characters, voice directed for most of my own episodes. Pre-designed sets, characters, and props at episode launch.

Supervising Director | *Big City Greens*

Oversaw post, mixes, writer's room, boards, animatics, music, and directed all voice records. Implemented changes when transitioning from board-driven format to script-driven. Led team of two directors, editors, post editors, and eight board artists. Hands-on with board rewrites and animatic editing.

Creator | *Magic Children Doing Things*

Developed and produced an original 3 minute short for the Nickelodeon Shorts Program. Wrote and boarded the short, designed characters, background layout, voice directed actors, edited animatic and post mixes. Short was picked up for series development.

Independent Comics | *self-published, freelance illustration*

I make em alla time, for fun and for money

MISC

Emmy Nominated for Outstanding Special Class Animated Program for directing on *Big City Greens: Green Christmas*
